Welcome.

At WNYUA, we are dedicated to providing our patients with excellent urologic care. If you happen to experience anything contrary to what you read in the materials, we want to know.

In order that your visit is as pleasurable and efficient as possible, please complete the enclosed paperwork and arrive 15 minutes prior to your appointment. If your insurance is an HMO (such as Community Blue or Independent Health), contact your primary care physician for a referral. You will also need to have your insurance card with you.

Please return your completed forms to our office. If there is not sufficient time for mailing, please bring the forms with you. If you have already had your appointment, it is not necessary to return the enclosed forms.

Thank you for choosing Western New York Urology Associates. Again, please feel free to call us anytime with your questions or concerns.
